### CREW TESTIMONIALS

**Piyamas Phakdee, Stewardess, MY Odessa**

"The crew fest was the best thing I have ever experienced in my yachting life. Looking forward to attend many more in near future."

**Barry de Kock, Captain, S.Y. Vertigo**

"As new comers to the "Crewfest" organised by ACREW we had no expectations. I can now say from within minutes of getting our lines ashore in Christopher Harbour to dropping the lines 4 days later that not a moment went by that was not enjoyable. From the workshops to the social events the organisation was superb and fun. I really hope we get the chance to return to another ACrew event soon.Thanks for the first rate and very memorable event."

**Courtney Robertson and Anna, Bosun and Chief Stew**

"Sometimes in the industry its hard to feel like we're part of a 'real' industry despite all the money we spend on courses, etc. but crewfest was the first time I have seen something organized that made me feel like what we are doing is truly a professional industry. All the events were professionally organized and run, and I had a great time getting involved with everything. I'm truly excited to attend another ACREW event as soon as possible."

**Simon Drew, Engineer, SY Bayesian**

"Thank you so much for a fantastic Crewfest 2017, in my 20 years of yachting this was the first time I had attended a crew ONLY event such as yours, it was fantastic to meet lots of new people, and go to crew workshops that were relevant to what we do onboard, and not a broker insight!!! Then to finish with the crew fest games on the last day followed by a night of laughing and dancing in front of that huge sound system with some amazing tunes being played by Dany at the masquerade ball was the icing on the cake. Again, to all the ACrew team thank you, and hopefully see you next year."
