CPD SERIES

The ACREW Continuous Professional Development (CPD) Series. At ACREW, we believe in the improvement and broadening of knowledge. ACREW workshops are devised to help crew develop professional expertise as well as personal qualities.

DECK

11.00 - 13.00

ROPES & RIGGING WORKSHOP

This workshop will provide an overview of different types of lines & rope and when to use them: practical demonstrations exploring the dark art of splicing and an opportunity to solve your problems and issues in a Q&A session.

Facilitator: Jean Christophe
Gremco

INTERIOR WORKSHOP

13.00 - 15.00

CREATING HIGH PERFORMING INTERIOR TEAMS

This workshop aims to make life on board easier by offering awareness of the individual development stages of your fellow peers and the matching leadership styles. The end result is that managers and crew start speaking a common language.

Facilitator: Peter Vogel
Interior Yacht Services

CAPTAINS WORKSHOP

15.00 - 17.00

HIRING WITH X-RAY VISION

Learn how to take all the risk out of hiring with innovative profile testing to help you see through to the real person underneath; your secret weapon for selecting crew.

Facilitator: Alison Rentoul
The Crew Coach
