SUPPORT FOR THE CARIBBEAN COMMUNITY OF SINT MAARTEN

The clean-up programme in the Caribbean is moving swiftly forward, with many essential services up and running and destinations prepared for the season.

With members of the ACREW Community in the Caribbean we have been eager to play our small part. We ran a Captain's update from leading figures in the Caribbean at Monaco Yacht Show this year and have initiated a fundraising.

This event is dedicated to continuing that support by raising money for causes helping the people of Sint Maarten out in these hard times.

Our last event in Astilleros Shipyard, Palma de Mallorca, raised over €3,000 and we are hoping to replicate this at Compositeworks. Thanks to our partners JOTUN, Liquid Yacht Wear, MedAire, Nautiel Service, RoamingExpert and UAM for their generous support.

Most important in getting the Caribbean back on its feet is the continuation of business from the superyacht industry. ACREW wishes to help facilitate clear dialogue between the destinations and the Captains to understand what the capabilities of the region is.

If you have any questions in this regard let an ACREW team member know

OUR FUND RAISING PARTNERS

ACREW LA CIOTAT AT COMPOSITWORKS

ACREW returns to Compositeworks this Winter for two days of learning and knowledge sharing. Demonstrating a commitment to crew and crew learning, the exciting two day event will be packed full of invaluable workshops for all departments. It is a great opportunity for crew to meet fellow

crew in the yard over lunch, a workshop or a happy hour, as the Winter season approaches. The Crew Challenge Trophy will also be up for grabs, as the event finale sees yacht teams pit their wits and more against each other in a pub quiz challenge with a difference!

THE ACREW & COMPOSITWORKS PUB CHALLENGE TROPHY

Bring your crew together to challenge for the prestigious ACREW & Compositeworks Pub Challenge Trophy. Teams will have to work together on challenges and quiz rounds including pictures, general knowledge, name that tune, and of course, name that drink!

This time around we are going Caribbean! So don't forget to dress-up and start researching that region of the world. Best costumes are also rewarded with extra points from our sponsor Liquid Yacht Wear.

AFTER HOURS CREW DRINKS

Enjoy a sun-down drink at the end of a busy day of workshops and a busy season! Connect with fellow crew in the yard as you share your experiences in the range of workshops that have taken place. With tunes, free drinks from VSF and a wintery evening it will have a fun and festive feeling!

CREW LUNCH

Keeping more than just your brains fed, enjoy your complimentary lunch from provisioning partners Turnaround. Served with drinks from VSF and plenty of people to talk to, hang around for lunch and make the ACREW event your home for two days!

ACREW LA CIOTAT AT COMPOSITEWORKS EVENT SCHEDULE

WEDNESDAY 29TH NOVEMBER

09.30 - 11.30

Timeline for Survival

MedAire

Understand when and why you should call for advice and support in an emergency and what to expect when you do. The workshop will help first responders to make the decisions that they will need to make on the ground, in an emergency. These can be decisions of life and death in some scenarios.

09.30 - 11.30

The Practical Care of On-Board Art Collections

Pandora Art Services

An understanding of how to care for, clean, maintain and move precious art is becoming an increasingly sought after skill set for interior crew. Preservation of value and avoiding deterioration and damage are vital issues for owners. Learn from art expert Pandora and have any questions addressed.

11.45 - 13.00

Lunch

Sponsored by Heinen & Hopman, VSF and Turnaround

We're serving lunch! Come and collect your crew lunch bag down at the Compositeworks Shed. We also have a selection of drinks and plenty of space to sit down and relax.

11.45 - 13.00

Demo: Interior Trends 2017/2018

Blue Diamond Decorating

Keeping on trend in the world of interior design is of great importance for superyacht stews. During this time period Brigitte of Blue Diamond Decorating will present a range of new products that reflect trends for 2017/2018.

13.00 - 15.00

How well do you know your wine?

VSF

Single varietal wines make up the vast majority of wines served onboard but can you differentiate one from the other? Come and find out and learn some interesting food matching tricks along the way.

13.00 - 14.00

Conducting Interviews to Get the Right Crew

wilsonhalligan

This workshop is for Captains and leaders interested in perfecting their interview technique. It will address the perfect interview from start to finish and include insights from the world of recruitment. There will be group discussions regarding the range of questions to ask, and what the answers really tell you!

15.15 - 17.15

Financial Speed Dating

United Advisers Marine

You have the opportunity to 'speed date' one of the Marine team. This is a short, fun and fast session - perfect for busy crew. Five members of the very lovely UAM team are going to be on hand to answer all your questions on bank accounts, investment and retirement.

15.15 - 17.15

All you need to know about cigars

The Crew Academy

Learn all you ever need to know to be able to select, match and serve a Cigar to a guest with confidence and style. Learn how to carefully purchase, store and manage cigars effectively, as well as how to check for imperfections. See how to cut and light a cigar like a pro, with tips on how to answer basic questions with ease.

18.30 - 20.00

After Hours Crew Drinks

Enjoy a sun-down drink at the end of a busy day of workshops and a busy season!

THURSDAY 30TH NOVEMBER

09.30 - 11.30

Rules for temporary admission and what to do if boarded by customs

Yachting Maritime
Custom Assistance

The temporary admission regime allows non EU flagged yachts to remain in EU waters for 18 months before being liable to pay VAT on the hull. France, and other countries, are increasingly boarding yachts to check compliance with all nuances of this policy. Guidance will also be shared about how to behave if boarded for a customs inspection.

09.30 - 11.30

Dealing with Cardiopulmonary Disorders including Heart Attacks and Strokes

MedAire & RDT

It is essential that crew know the signs and symptoms for cardiopulmonary disorders, as well as care and emergency responses. MedAire and RDT will cover all aspects of this important topic including scenarios using live data collected by the Tempus IC2, demonstrating the importance of vital signs and careful monitoring of the casualty.

11.45 - 13.00

Lunch

Sponsored by Heinen & Hopman, VSF and Turnaround

We're serving lunch! Come and collect your crew lunch bag down at the Compositeworks Shed. We also have a selection of drinks and plenty of space to sit down and relax.

11.45 - 13.00

Demo: Interior Trends 2017/2018

Blue Diamond Decorating

Keeping on trend in the world of interior design is of great importance for superyacht stews. During this time period Brigitte of Blue Diamond Decorating will present a range of new products that reflect trends for 2017/2018.

13.00 - 15.00

Harnessing AV-IT systems, troubleshooting, anticipating and optimizing mobile devices onboard for happy guests

BEE

AV IT systems are more and more complex, while they are increasingly in the focus of Owners and Guests. Get a global view of all components behind frequently experienced issues. Learn how to troubleshoot and come back to users with a positive and supportive attitude. The workshop will finish with a look to the future of AV IT onboard.

13.00 - 15.00

The Future of Recruitment

Monjin

The rapid advancement of technology changes the recruitment process for both crew and employers. For an industry with a high turnover of staff and crew all over the world, the use of technology such as online video interviews bring many advantages. Learn about this and other developments that are changing the face of superyacht recruitment.

13.00 - 15.00

Improving Working Life Onboard: Bullying and Harassment Prevention

Nautilus International

The problem of bullying and harassment is addressed in this presentation from maritime professional trade union Nautilus International. For leaders and all crew that are interested in improving standards in the industry for all. ACREW welcome the move to embrace working practices that allow crew to undertake the job they are trained to do as professionals.

15.15 - 17.15

Creating first impressions and planning perfect guest experiences

The Crew Academy

Enjoy a crash course on the importance of seeing things from the eyes of guests and how to make excellent first impressions. Detailed planning tips will be shared, focusing on every aspect of the guest arrival. The focus will then shift to two other key ways to make the guest experience unforgettable - trip planning and event planning.

15.15 - 17.15

Using the iBubble Autonomous Diving Drone for Hull Inspections

iBubble

iBubble is an autonomous diving drone that can be used to carry out hull inspections as well as operating as a toy to accompany diving and snorkelling expeditions. Attendees will practice operating this underwater drone, capturing extremely useful underwater images.

Thursday 30th November at 19.00 THE ACREW & COMPOSITEWORKS PUB CHALLENGE TROPHY

Sponsored by Liquid Yacht Wear

Bring your crew together to challenge for the prestigious ACREW & Compositeworks Pub Challenge Trophy. This time around we are going Caribbean! So don't forget to dress-up and start researching that region of the world.
