ACREW

Graphic Designer

 Palma de Mallorca, Spain

 32 - 40 hours

 From 1st June onwards

The job

Work in a young and international team, designing a variety of corporate designs for B2B but also B2C. Your graphic designs will be used on social media, in magazines, programmes, advertisements, flyers, website or even (sales) presentations. Learn about designing print collateral as well, this means being able to design towards the requirements of different print companies in terms of colour codes and measurements. You create the designs of event signages for big events like the Monaco Yacht Show, Palma Superyacht Show, or our destination events in the Caribbean that have their own brands. You will work with 4-5 different brands for the ACREW events, and might even get to develop a new branding for clients.

You

- Are an MBO or HBO student
- Are mastering the Adobe Programmes: InDesign, Illustrator and Photoshop
- Know how to follow brand guidelines, but still contribute creativity
- Can work in a fast-paced environment, as deadlines can be tight

Karst Zwaan

"My ACREW internship was a really nice experience. I got the chance to design a lot of different designs for ACREW events. Next to that, the ACREW team is awesome to work with. If I had the chance to do it again, I definitely would."
