PORTO MONTENEGRO ZIMSKE IGRE ZA ČLANOVE POSADE 2020

Porto Montenegro zimske igre za članove posade 2020, atraktivno osmišljen sportsko-zabavni događaj organizovao se u dve edicije: u Kolašinu od 7. do 9. februara, i u Porto Montenegro od 27. do 29. marta. Događaj je namenjen svim članovima posade marine Porto Montenegro, ali i ostalih marina na Jadranu i Mediteranu.

Sportske igre i aktivnosti na planini među kojima su skijanje i bordovanje, vožnja biciklima na snegu, osmišljenije igre poput „veliko stopalo“ u kojem se timski takmiči na drvenim skijama, itd., samo su neki od sadržaja ovog turnira, a svi učesnici uživaju u sjajnom gastro iskustvu na planini, žurci na stazi Ski centar 1650, itd. Agenda za Zimske igre na obali Porto Montenegro su malo drugačije, i fokusirane su na jedrenje i deklon, među kojima su i strelčarstvo, mini golf, odbojka, itd.

„Porto Montenegro je oduvek usmeren na kvalitetnu uslugu i dinamičan kalendar aktivnosti za kapetane i članove posade naše marine – tokom godina unapredili smo naš program Kluba posade, od licenciranih

kurseva za nautički industriju akademije Warsash Superyacht, do zabavnih letnjih roštilja petkom popodne, zimskih ski vikenda i Zimskih igara. Ove igre su zimski beg za posadu sa bilo kog mesta na Mediteranu. Igre pružaju učesnicima priliku da dožive tri uzbuđujuća dana u zadivljujućim crnogorskim planinama i / ili na obali, gde mogu svoje sportske sposobnosti testirati u odnosu na ostale takmičarske ekipe“, istakao je direktor marine Porto Montenegro Tony Browne.

„Pripremite se za atmosferu zdrave konkurencije, team buildinga, zabavnih zabava i neverovatne crnogorske hrane. To definitivno doživljavamo kao uzbuđljiv događaj zimskog kalendara koji je u potpunosti jedinstven u marina industriji za sve članove posade, ali i naše prijatelje iz okruženja, crnogorsku javnost! I ne zaboravite atraktivne nagrade“, dodao je Browne.

Participacija po osobi, za jednu ediciju, iznosi 100€ za celokupan vikend u koji je uključen i smeštaj, hrana, sportska oprema, instruktori i ski pass. Fond za nagrade iznosi 5.000 evra - pa hajde da se takmičimo! ▶

Porto Montenegro ACrew Superyacht Winter Games is a fantastic winter escape for crew from any location in the Mediterranean

PORTO MONTENEGRO ACREW SUPERYACHT WINTER GAMES 2020

The Porto Montenegro Winter Games 2020 is a two-part sporting and entertainment event for captains and crew members, taking place from 7-9th February in Kolasin and from 27-29th March in Porto Montenegro, Tivat. The event is open to all – from the Porto Montenegro marina crew members, to crew from other marinas in the Adriatic and wider Mediterranean.

Across the two weekends, we take keen participants on a mountain sports adventure in Kolasin, with all of the typical snow sports like skiing, snowboarding and snow biking, alongside unconventional 'Big Foot' skiing on wooden skis to add a fun and competitive edge to the tournament. The rural mountain setting offers participants a genuine and authentic Montenegrin gastronomic experience as well as a number of parties at the Ski Centre 1600 to spice up those cold winter nights.

Meanwhile, the coastal Winter Games agenda takes a somewhat different approach, bringing beloved on-water favourites such as sailing, as well as a decathlon, archery, miniature golf, volleyball and more.

"Porto Montenegro has always been focused on the wellbeing of captains and crew by providing a very active calendar of events. Over the year's we have upgraded our Crew Club programme to include Warsaw

Superyacht Academy Courses, summer weekly BBQs and winter ski weekends.

The Porto Montenegro ACrew Superyacht Winter Games is a fantastic winter escape for crew from any location in the Mediterranean. The games provide an opportunity for participants to experience three exciting days in the stunning Montenegrin mountains, and/or on the coast, where they can put their sporting prowess to the test against the other competing teams," comments Tony Browne, Marina Director at Porto Montenegro. "We are very excited to host this event together with Porto Montenegro. This will be our first event that doesn't include the sea and we believe our crew members will be delighted to have an amazing weekend in the snow with learning and a lot of fun and entertainment," added Onno Ebbers, ACREW director & owner.

Participants prepare for an atmosphere of healthy competition, team building, fun parties, and incredible Montenegrin food at one of the most exhilarating events on the Porto Montenegro winter calendar. Entries are priced at €100 per person, per edition, covering accommodation, food, sports equipment, instructors, ski passes and airport transfers – not forgetting to mention the total prize pool of €5,000 for both weekends – let's get competitive! ■
